# A Musical Journey with Jessica Lee

Join Jessica, one of Pittsburgh's most prominent blues-influenced artists, for a vocal journey of discovery—from the early days of spirituals; through the blues, jazz, and soulful R&B eras; and into the present day of blues-inspired originals that Jessica is currently recording in Nashville, Tenn. Jessica and her band will pay tribute to the great musicians from each era, including Mahalia Jackson, Louie Armstrong, Billie Holiday, Sarah Vaughn, B.B. King, Roberta Flack, Aretha Franklin, Ray Charles, Bonnie Raitt, and more! Hear Jessica sing the blues in the historic and acoustically marvelous venue of Heinz Memorial Chapel.
